Suman Paudel

- Dedicated and skilled Frontend Developer with a passion for creating visually appealing and user-friendly web applications. Proficient in modern web technologies and frameworks, I am committed to delivering high-quality, responsive, and engaging user interfaces. Experienced in collaborating with cross-functional teams to bring innovative digital solutions to life.

ACHIEVEMENTS

Bachelor's degree In Information Technology

TRAINING/CERTIFICATIONS

Forntend with React

Vrit Technologies. Pvt Ltd. / 2023

I completed an intensive React training program at Vrit Technologies Pvt. Ltd. This training provided me with crucial skills and knowledge for excelling as a React developer. I gained hands-on experience in building interactive and responsive user interfaces, mastering component-based development, state management, and routing. This training has solidified my expertise in React and prepared me for a successful career in front-end web development."
